**DuroKleen®**  
LONG-TERM ANTIMICROBIAL SOLUTIONS

HELP STOP THE  
SPREAD AND  
STAY HEALTHY

Once you use DuroKleen on a surface it will continue to protect against germs and viruses for up to 100 days (depending on the product chosen). DuroKleen and its many benefits will not be removed using other cleaners.

DuroKleen was created for longer lasting protection, removing the need for constant cleaning in your facilities however as we know cleaning protocol is important, DuroKleen has a daily use product that can be used in high traffic areas. Saving time between services, arrangements and body prep, while still providing you with the antimicrobial protection required, to run a safe, dignified and thoughtful death care facility.

# DuroPax

POWERED BY **DuroKleen**.

DuroPax is a modern multi-purpose antimicrobial, especially formulated for cleaning, disinfecting and protecting frequently touched surfaces and actively supporting all-day hygiene maintenance, on all types of hard and soft surfaces.

DuroPax first helps you clean the surface, then sets up an effective, 48-hour biostatic barrier that controls the presence and growth of pathogenic and odour causing bacteria, mould and other microbes, over the full term of a regular cleaning cycle. Effective against bacteria, algae + viruses.

Available in 50ml  
(Sample), 750ml, 5L,  
20L, 200L, 1000L).
