Sustainable

CORTEN steel is 100% recyclable and durable. Because it is a pure type of steel without additional protective layers (paint), it can be easily melted down again and repurposed.

ENVIRONMENTAL INITIATIVE

PROUDLY AUSTRALIAN AND PROUD OF OUR ENVIRONMENTAL POLICY AND GREEN INITIATIVES

ENVIRONMENTAL POLICY

Our Environmental Policy is part of our Environmental, Social and Governance (ESG) Program.

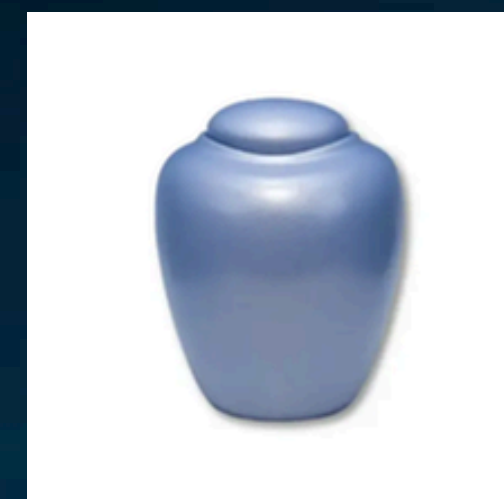

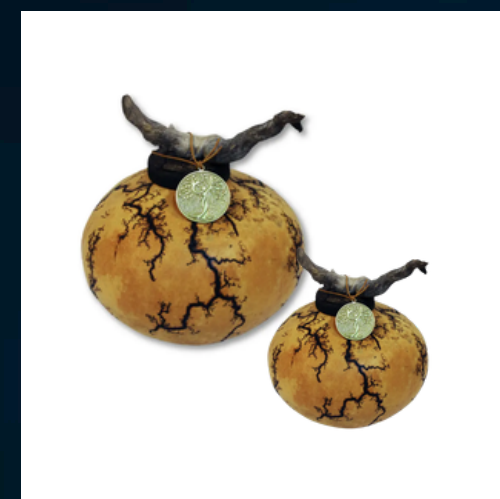

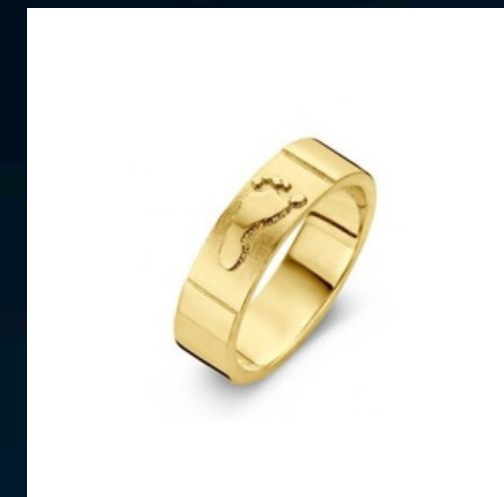

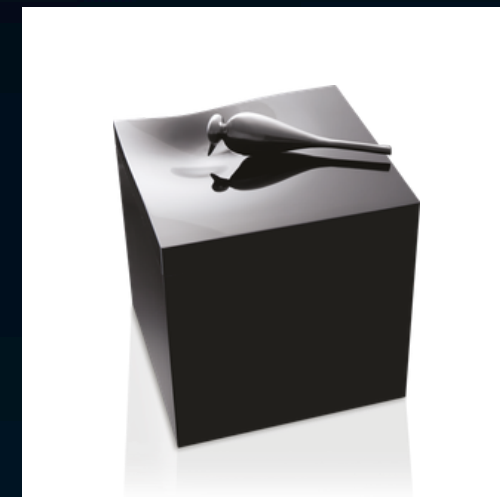

RECYCLING AT ARROW BRONZE

We have developed a closed loop recycling programme with a national recycler and report annually to the National Pollutant Inventory. Re-using consumables, recycled materials, water and metal waste and fume and dust collectors to minimise discharges.

MEMORIALISATION

Arrow Memorials offers an unrivalled range of biodegradable urns and unique Urns, Keepsakes, Jewellery and memorialisation services.
